

## KID'S CORNER

# INSECT RIDDLES

From small in size  
To as big as whoppers  
We hop in the grass  
So we're called...

---

I'm busy, as busy as can bee,  
Making honey for you and me.  
My bumbling cousin is very  
busy too, But she won't make  
honey to give to you...

---

I don't like butter, and I'm not a fly.  
Whoever named me made a bad try.  
When I'm not flying up too high,  
You might chase me when I flutter by...

---

Deer or horses are not these flies' dish,  
But they'll bite you too,  
if they wish...

---

When a dog gets bit by these, He snaps  
or bites in hopes to seize, The pest that  
makes him ill at ease, But with a jump,  
the insect flees...

---

A carpenter is very good At building  
houses made from wood. You may guess,  
that from our name, We ants can also do  
the same...
